MEMORANDUM FOR: The Director
THRU: Acting Executive
SUBJECT: Correspondence re IAC Members

Since the military members of the IAC for some months now have been addressing all their communications to you as "Chairman of the Intelligence Advisory Committee" (never anymore as DCI), why don't we eliminate their personal titles on our circular memos to the IAC and address them as Army Member of the Intelligence Advisory Committee, Navy Member etc. Or just head our memos "Circular Memo to all Members of the I-A-C from the DCI."
